

## CONTENTS IN DETAIL

Product Index by AS/NZS & AWS/ASME-SFA Classifications...	4
Product Index by Alphabetical Order...	8
Packaging Information...	11
Comparable Consumables by Welding Process...	13
Product Certification Available from CIGWELD...	15
Recommended Storage, Care & Conditioning of CIGWELD Consumables...	16
Welding Position Symbols, used throughout this guide...	22
Shipping Society Approvals for CIGWELD Consumables	24
Technical and Trade Information...	213
12.1 Terms & Definitions...	215
12.2 Basic types of welded joints...	219
12.3 Welding Positions & Symbols...	223
12.4 Defects in welding...	229
12.5 Distortion, causes & control...	235
12.6 Safety in Welding...	240
12.7 Consumables Classification Tables...	244
12.8 Shielding Gas Information...	259
12.9 Welding Guide...	266
12.9.1 Welding of Steel...	266
12.9.2 Welding of Stainless Steel...	290
12.9.3 Welding of Aluminium...	300
12.9.4 Welding of Cast Iron...	328
12.9.5 Welding of Copper & Copper Alloys...	337
12.9.6 Welding of Dissimilar Metals...	348
12.10 Hardfacing Information...	350
12.11 Deposition Data...	372
12.12 Technical Facts & Figures...	379
