Notice about CIGWELD's Welding Consumables Pocket Guide (manual).

The information in this Pocket Guide has been prepared as a reference only for use exclusively with the products identified in it. Each user should properly assess the information in the specific context of the intended application. Throughout this manual there are specific safety warnings. Disobeying or failing to heed these warnings can result, in some circumstances, in the unchecked emission of poisonous gases, or burns from explosion or electric shock.

Although care has been taken in compiling this information, CIGWELD will not be liable for any direct, indirect, special or consequential damage (including damage resulting from its negligence), arising out of, or connected with the use of, or reliance on, this information except for liability imposed by legislation (including the Trade Practices Act), that cannot be excluded.

CIGWELD does not make or give any express or implied warranties or representations except for those that are implied by legislation (including the Trade Practices Act), that cannot be excluded.

Where the preceding paragraphs cannot legally operate, and to the extent permitted by law, CIGWELD's liability for breach of any term or warranty implied by law is limited to and completely discharged at CIGWELD's option, by either:

- a) replacement of the manual in hard copy form;
- b) payment of the cost of replacing the manual or acquiring an equivalent one.
