

VICTOR®

Welding, Cutting & Heating Outfits

Versatility

- Outfits available for any application from extra heavy duty to portable

Maximum Durability

- Self reseating relief valves protect regulators

Optimum Safety

- Built-in, replaceable reverse flow check valves and flashback arrestors

A THERMADYNE® Company

STRENGTH THROUGH
INNOVATION™

Extra Heavy Duty Features

H315FC Handle

Heavy ribbed barrel for durability

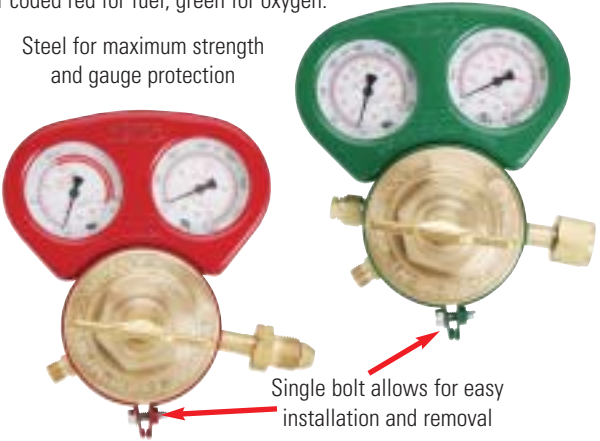

High flow operates up to #12 MFA

Built-in replaceable, flashback arrestors and reverse flow check valves

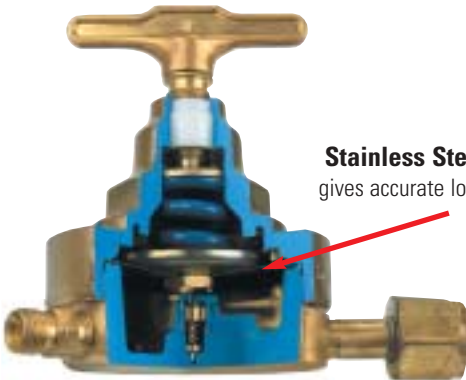

Regulator Gauge Guards

Color coded red for fuel, green for oxygen.

Steel for maximum strength and gauge protection

Single bolt allows for easy installation and removal

Stainless Steel Diaphragm
gives accurate long lasting service

Journeyman[®]

Extra Heavy Duty Applications

- Cuts up to 3/4"/19mm (8"/200mm with optional tips)
- Welds up to 1/2"/12mm (3"/75mm with optional nozzles)

Versatile Handle and Cutting Attachment

- Operates with any fuel gas

Maximum Durability

- 450 series regulators with stainless steel diaphragms
- Self reseating relief valve protects regulator
- XHD includes color coded, steel regulator gauge guard

Optimum Safety

- Built-in replaceable, reverse flow check valves and flashback arrestors
- DLX and XHD include T-grade hose for use with any fuel gas

Versatile Handle and Cutting Attachment

- Operates with any fuel gas

Journeyman Components

- Extra heavy duty SR450 series regulators with colored gauges
- Extra-heavy duty H315FC torch handle
- CA2460 cutting attachment
- W welding nozzles: sizes 1, 3, 5
- MFA heating nozzle: size 8
- Cutting tip: 1-1-101
- Accessories and gauge guards optional

Extra Heavy Duty

Contractor Plus[®]

Extra Heavy Duty Applications

- Cuts up to 3/4"/19mm (8"/200mm with optional tips)
- Welds up to 1/8"/4mm (3"/75mm with accessories)

Maximum Durability

- 450 series regulators with stainless steel diaphragms
- Self reseating relief valve protects regulator
- XHD includes steel regulator gauge guard

Optimum Safety

- Built-in replaceable reverse flow check valves and flashback arrestors
- DLX and XHD include T-grade hose for use with any fuel gas

Versatile Handle and Cutting Attachment

- Operates with any fuel gas

Contractor Plus Components

- Extra-heavy duty SR450 series regulators with colored gauges
- Extra-heavy duty H315FC torch handle
- CA2460 cutting attachment
- W welding nozzle: size 2
- Cutting tip: 1-1-101
- Accessories and gauge guards optional

Contender®

Heavy Duty Applications

- Cuts up to 3/4"/19mm (6"/150mm with accessories)
- Welds up to 1/8"/4mm (2"/50mm with accessories)

Proven Durability

- Self reseating relief valve protects regulator

Optimum Safety

- Built-in replaceable reverse flow check valves and flashback arrestors
- XHD includes T-grade hose for use with any fuel gas

Versatile Handle and Cutting Attachment

- Operates with any fuel gas

Contender Components

- Heavy duty SR350 series regulators with colored gauges
- Heavy duty 315FC torch handle
- CA2460 cutting attachment
- W welding nozzle: size 2
- Cutting tip: 1-1-101(quantity 2)
- Accessories optional

Heavy/Medium Duty

Super Range[®]

Heavy/Medium Duty Applications

- Cuts up to 1/2"/12mm (5"/125mm with accessories)
- Welds up to 1/4"/6mm (1 1/4"/31mm with accessories)

Proven Durability

- Self reseating relief valve protects regulator

Optimum Safety

- Built-in replaceable reverse flow check valves and flashback arrestors
- DLX includes T-grade hose for use with any fuel gas

Versatile Handle and Cutting Attachment

- Operates with any fuel gas

Super Range[®] Components

- Heavy duty SR350 series regulators with colored gauges
- Medium duty 100FC torch handle
- CA1350 cutting attachment
- W-1 welding nozzles: sizes 0, 2, 4
- Cutting tip: 0-3-101
- Accessories optional

Super Range® II

Heavy/Medium Duty Applications

- Cuts up to 1/2"/12mm (5"/120mm with accessories)
- Welds up to 1/4"/6mm (1 1/4"/31mm with accessories)

Proven Durability

- Self reseating relief valve protects regulator

Optimum Safety

- Built-in replaceable reverse flow check valves and flashback arrestors
- DLX includes T-grade hose for use with any fuel gas

Versatile Handle and Cutting Attachment

- Operates with any fuel gas

Super Range® II Components

- Heavy duty SR350 series regulators with colored gauges
- Medium duty 100FC torch handle
- CA1350 cutting attachment
- W-1 welding nozzle: size 2
- Cutting tip: 0-3-101
- Accessories optional

Medium Duty

Performer[®]

Medium Duty Applications

- Cuts up to 1/2"/12mm (5"/125mm with accessories)
- Welds up to 1/4"/6mm (1 1/4"/31mm with accessories)

Proven Durability

- Self reseating relief valves protects regulators

Optimum Safety

- Built-in replaceable reverse flow check valves and flashback arrestors
- DLX includes T-grade hose for use with any fuel gas

Versatile Handle and Cutting Attachment

- Operates with any fuel gas

Performer[®] Components

- Medium duty SR250 series regulators with colored gauges
- Medium duty 100FC torch handle
- CA1350 cutting attachment
- W-1 welding nozzle: size 0
- Cutting tip: 0-3-101
- Accessories optional

Portable Torch[®]

Portable Applications

- Cuts up to 1/2"/12mm (4"/100mm with accessories)
- Welds up to 1/4"/6mm (1 1/4"/31mm with accessories)

Engineered Durability

- Unique carry tote offers in-line balanced design for carrying ease

Optimum Safety

- Built-in replaceable reverse flow check valves and flashback arrestors
- DLX includes T-grade hose for use with any fuel gas

Versatile Handle and Cutting Attachment

- Operates with any fuel gas

Portable Torch[®] Components

- 150 series regulators with colored gauges
- Medium duty 100FC torch handle
- CA1350 cutting attachment
- W-1 welding nozzle: size 0
- Cutting tip: 0-3-101
- Cylinders optional

Ordering Information

Journeyman® Extra Heavy Duty Outfit

Part No.	Description	Oxygen Regulator	Fuel Gas Regulator	Accessories
0384-2009	XHD	CSR 450D-540	CSR 460A-510	Yes
0384-2011	XHD	CSR 450D-540	CSR 460A-300	Yes
