

FP100 WELDING SYSTEM

Enjoy the convenience of arc welding repairs at an affordable price. The FP100 operates on standard 120 volt household current and is designed to be simple to operate. The FP100 portable arc welding system features AC welding output as well as infinite amperage control making it easy for even novice welders to obtain professional results. The rugged easy grip handle and its lightweight make this unit both practical and portable. The FP100 is ideal for home, farm, and light maintenance repairs.

Comes Complete With

- 6 ft. welding lead and electrode holder
- 6 ft. ground cable and work clamp
- 4 ft. power cord with plug
- Instruction manual (English, French, Spanish)

Features

- Uses standard 120 volt household current
- Features Firepower easy weld system
- AC welding output
- Infinite amperage adjustment
- Thermostatic heat protection
- Uses 1/16" rod
